

**ADVANCED CARDIOVASCULAR LIFE SUPPORT  
PROVIDER & RENEWAL COURSES - 2012**

**\*\*\* COURSE DESCRIPTION \*\*\***

This course is an intensive program that has been designed to meet the standards of the American Heart Association for training participants as Providers in Advanced Cardiovascular Life Support. It is primarily directed toward physicians, nurses, dentists, paramedical and allied health personnel whose daily occupation demands proficiency in the knowledge and skills of ACLS.

Pre-course preparation is essential for successful completion of the course, particularly dysrhythmia recognition. (Rhythm recognition is not taught in this course.) It is expected all participants come to ACLS with a solid knowledge of dysrhythmia recognition. Knowledge of BLS is an intrinsic part of ACLS. All participants must complete the pre-test prior to the course

**TOPICS INCLUDE**

- Acute Coronary Syndrome
- Dysrhythmia Review

**\*\*\* ACLS RENEWAL OPTIONS \*\*\***

**American Heart Association (AHA) ACLS Heartcode  
Part 2 and 3 (2PM to 4PM)**

Participants complete a self-directed, comprehensive online eLearning program (Part 1) available for purchase from the American Heart Association website:  
<http://www.onlineaha.org/index.cfm?fuseaction=info.acls>.  
This online education includes interactive patient cases that test the student's ability to apply the ACLS algorithms to effect treatment. It is challenging and takes approximately 10 hours to complete. It concludes with a written test.

Part 2 and 3 are completed in a classroom setting with an ACLS instructor. During Part 2, you will practice BLS skills including CPR & AED, and management of respiratory arrest. You will also practice ACLS skills in a megacode scenario. Part 3 is comprised of skills testing of CPR & AED, respiratory arrest, and megacode.

To register for Parts 2 & 3 of the HeartCode® ACLS program, please contact Lisa Pavon, Education Coordinator, at (845) 368-5000 ext. 6791 or by email, [lisa\\_pavon@bshsi.org](mailto:lisa_pavon@bshsi.org). Pre-registration for a HeartCode Practice and Testing Session is mandatory to ensure we have instructors available for you. These sessions are offered on the same days as the classroom ACLS Renewal Course from 2:00pm-4:00pm. You must bring your certificate showing that you have completed the Part 1 online education to the classroom in order to participate in Parts 2 & 3. If you are unable to show proficiency in the skills testing of CPR & AED, respiratory arrest, and megacode, you will be asked to attend a regularly scheduled renewal or provider course in the future.
