**BON SECOURS MEDICAL GROUP**  
Bon Secours Charity Health System

Good Help to Those in Need®

Highly skilled... compassionate...  
and here for you.

## Bon Secours Medical Group.

**T**hey range from cardiologists to nurse practitioners—all with varied, yet excellent backgrounds, training and experience. The common thread among them? They're all part of Bon Secours Medical Group (BSMG).

The medical professionals you'll find in this directory aren't merely members of a network or system. They were chosen—personally selected to be more accurate—for their expertise and the level of care they bring their patients. As part of BSMG, they have access to each other and all of Bon Secours Charity Health System's hospitals and facilities, including:

**Bon Secours Community Hospital** – PORT JERVIS, NY

**St. Anthony Community Hospital** – WARWICK, NY

**Good Samaritan Hospital** – SUFFERN, NY

We're proud to bring these medical professionals, and their capabilities, to you.

### A quick note about how this book is organized.

- **The sections are listed alphabetically by specialty first, then alphabetically by practitioner.** All addresses and contact information are included.
- **If you already know the name of the medical professional you want to reach, simply turn to page 10.** There, you'll find our *quick reference guide*, with each practitioner listed alphabetically, along with his or her phone number, for immediate access.
